

**Spafrance**  
Creating sensation

4 positions

35 massage nozzles

# Sao

Portable or  
in-ground version

Step into a SPAFRANCE spa, and enter a world of physical and mental well-being. Sink slowly into the deliciously delicate, caressing water.

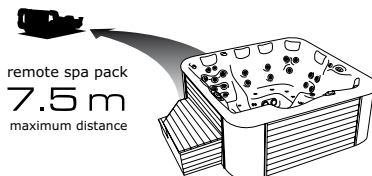

Embraced in gentle well-being, your tension melts away, your body lets go, your mind is liberated.

You discover a state of complete relaxation.

The portable version features an attractive surround made of  
- Solid red cedar 7 mm thick.  
- Composite wood (grey, havana, coral).

## REMOTE INSTALL KITS

Remote installation kits are available to allow installation of the spa pack at a distance from our in-ground and portable spas.

remote spa pack  
**7.5 m**  
maximum distance

These kits comprise 7.5 metres of the various tubes and hoses required to connect the spa pack (blower, heater, ozonator, two-speed pump and massage pumps).

1		Skimmer (2 cartridges)
4		Head rests
1		Rigid cover
1		Spa pack SP800X

Digital display, blower controls, diverting valves: simply press or swirl to control the wave of bubbles deferring over your body to procure a soothing or invigorating massage depending on your mood. Installation is just as simple, a quick fit pre-assembled spa pack and intelligent pre-programming means you can simply 'plug and play'.

Warm and welcoming, highly charged, romantic... Use your spa's various functions to match the ambiance to your mood.

Each spa comes with an isothermal safety cover that keeps water warm and prevents evaporation.
